DEATH INVESTIGATION IN GULF COUNTY

GULF COUNTY, FL — The Gulf County Sheriff's Office is conducting a death investigation involving two individuals at a residence in the Stone Mill Creek community north of Wewahitchka. This afternoon, deputies responded to a residence after family members and friends discovered an adult male and adult female unresponsive.

Based on the preliminary information, investigators believe that this was an apparent murder-suicide. The investigation is being conducted by the Gulf County Sheriff's Office investigators and the Medical Examiner's Office. The medical examiner will determine the official cause and manner of death.

This case remains active and ongoing. All parties involved have been accounted for and there is no threat to the community. Updates will be provided as appropriate. As an agency, our thoughts and prayers are with the families and friends.
